

APEX ELECTRICAL CONTRACTORS

Commercial & Healthcare Electrical Construction - Atlanta, GA

PROPOSAL SUMMARY

Proposal Date:	August 7, 2026
Submitted To:	Crestmark Construction Partners
Attention:	Daniel Cho, Senior Estimator
Project:	Falcon Medical Center Expansion
Project Number:	26-0147
Bid Package:	26-0147-BP-26 - Division 26 Electrical
Base Bid:	\$191,850.00
Bid Validity:	30 calendar days from the Proposal Date
Anticipated Duration:	18 weeks from mobilization, subject to approved project schedule

Apex Electrical Contractors is pleased to submit the enclosed proposal for the Division 26 electrical scope of work on the Falcon Medical Center Expansion, based on Contract Drawings Revision 3 and the Project Manual issued for bid. This proposal summary, together with the Scope of Work, Allowances and Alternates, and Clarifications and Exclusions sections that follow, constitutes our complete base bid submission.

SCOPE OF WORK

The following electrical scope is included in our Base Bid of \$191,850.00 for Bid Package 26-0147-BP-26, unless separately identified as an Allowance, Alternate, or Exclusion elsewhere in this proposal:

- 1 Electrical mobilization and supervision for the duration of Apex's on-site work.
- 2 Branch power rough-in for all areas shown on the electrical Contract Drawings.
- 3 Lighting branch circuitry serving all fixture locations shown on the Contract Drawings.
- 4 Lighting fixtures, furnished and installed within the \$42,500.00 lighting fixture allowance described in the Allowances and Alternates section.
- 5 Electrical permit fees associated with the Division 26 scope of work.
- 6 Temporary power required for Apex's own electrical work during construction.
- 7 Fire alarm device connections shown within the electrical Contract Drawings.
- 8 Testing of installed feeders and branch circuits in accordance with the Project Manual.
- 9 Standard closeout documentation for Apex's electrical scope, including as-built markups and warranty letters.
- 10 Normal working-hours coordination with Crestmark's field superintendent and other trades.

ALLOWANCES

The Base Bid includes the following allowance, which is carried in full within the \$191,850.00 Base Bid stated on Page 1:

Description	Amount	Status
Lighting fixture allowance	\$42,500.00	Included in Base Bid

ALTERNATES

The following alternate is priced separately and is NOT included in the Base Bid stated on Page 1. It will only apply to the contract if formally accepted in writing by Crestmark Construction Partners.

ID	Description	Amount	Status
A1	Upgrade selected patient-room fixtures to owner-selected premium package	Add \$8,750.00	Not included in Base Bid

CLARIFICATIONS AND EXCLUSIONS

This proposal is based on the Contract Drawings (Revision 3) and Project Manual issued for bid. The following items are explicitly excluded from our Base Bid and are not included in any Allowance or Alternate stated elsewhere in this proposal:

- 1 Structured cabling and other Division 27 Communications systems.
- 2 Security, access control, and other Division 28 Electronic Safety and Security systems.
- 3 Utility-company charges, fees, and service-connection costs.
- 4 Performance and payment bond. Bonding is excluded from the Base Bid and is available as an add-alternate if required by Crestmark; pricing will be furnished upon request.

COMMERCIAL AND SCHEDULE TERMS

Anticipated duration is 18 weeks from mobilization, subject to an approved project schedule issued by Crestmark Construction Partners. Apex will coordinate normal working-hours access with the Crestmark field superintendent and will participate in scheduled preconstruction and trade-coordination meetings for the Division 26 scope of work. This proposal remains valid for 30 calendar days from the Proposal Date stated on Page 1.

Respectfully submitted,

Jordan Wells

Senior Estimator, Apex Electrical Contractors
